REQUEST FOR ACKNOWLEDGEMENT OF INFORMATION DISCLOSURE STATEMENT

When reviewing the file in preparation for payment of the Issue Fee, it was noted that an initialed copy of the Supplemental Information Disclosure Statement (IDS) filed on December 16, 2005, in the above-identified patent application, was not received by the Applicant from the Patent Office nor acknowledged in the Notice of Allowance mailed July 12, 2007. As such, Applicant does not have a copy of the formal record that the references in the Supplemental IDS have been considered by the Examiner, although the electronic Transaction History (PAIR) indicates that the Supplemental IDS was considered between February 23 and August 15, 2006. Applicant respectfully requests receipt of an initialed copy of the Supplemental IDS (PTO Form 1449) indicating consideration of the references by the Examiner, and to clarify the record related thereto. Applicant has twice attempted to contact the Examiner regarding this matter and leaving a message on each occasion, but has not yet received a return phone call from the Examiner or an initialed copy of the Supplemental IDS from the Patent Office.

Respectfully submitted,

Christopher J. Gegg
